

# LCA FOR CCS/CCU : USES

Aïcha Elkhamlichi - ADEME

## LCA for CCS/CCU /ADEME/Uses

- ❑ Why to develop guidelines for LCA for CCS-CCU
  - Several works at international level and european level (Report of DG Energy, ...)
  - EU support tools (Innovation Fund, RED2,...)
  - More and more projects at bigger scale
- ❑ Standardisation
  - ISO/TC265 on CCS: failure to provide a standard on Quantification and Verification
  - Discussion for CEN/TC on CCS/CCU
  - Developed methodologies by EC
- ❑ French context
  - Recovery plan: Decarbonation of Industry
  - Funding tools as Investment for Future
