

CARBON NEUTRALITY TESTIMONY

Mathilde Louërat, Centre scientifique et
technique du bâtiment (CSTB)

Carbon neutrality / CSTB / Context

- ❑ CSTB works & research about carbon
 - Product, building and district LCA
 - Methodologies, tools, normalisation, training...

- ❑ Examples
 - Laboratoire des Performances Environnementales
 - RE2020
 - UrbanPrint
 - Carbon strategy of a building society

- ❑ Research program « Carbon strategy for all ! »
 - Support building stakeholders on their carbon strategy

Carbon neutrality / CSTB / Uses

- ❑ Confirm and refine our methods
 - Carbon neutrality definition and approach
 - Holistic approach (carbon footprint, construction & using...)
 - Use of LCA : multi-criteria assessment, carbon storage, consequential LCA...

- ❑ PhD thesis : Achieve and implement the National Low Carbon Strategy for the building sector, from product to stock
 - Environment & Economy
 - Distribution of the decarbonation effort

- ❑ Our own carbon strategy
